D'Vontz Receives Highest Honors for Exclusive Bathroom Products

April XX, 2009 (TULSA, Okla.) – For the third year in a row, D'Vontz has received ADEX Awards for their exclusive bathroom products. The company recently received the Platinum ADEX Award for its Grand Tahoe Integrated Sink, Coda Pedestal Sink and Eros Vessel Faucet. Awarded annually by Design Journal Magazine and voted on by a panel of industry professionals, the ADEX Awards were presented in the April issue of the magazine.

The Grand Tahoe is an integrated sink and vanity top combination that offers unlimited possibilities with several marble types and sizes creating a true one-of-a-kind look. The Coda is more than just a bathroom pedestal sink. It delivers a functional work of art with geometric shapes and quality craftsmanship showcased from any angle. The Eros single-handle vessel faucet is sleek but with traditional classic lines, allowing it to complement any mid-century or modern eclectic décor.

Chosen out of thousands of innovative new products from more than 400 companies, the Grand Tahoe Integrated Sink, Coda Pedestal Sink and Eros Vessel Faucet were recognized for their excellent design. ADEX is the largest and most prestigious award program for product design of furniture, fixtures and finishes marketed to the design trade.

The Grand Tahoe Integrated Sink, Coda Pedestal Sink and Eros Vessel Faucet join a long list of award-winning D'Vontz products. Other ADEX award winners include the Balena and Rectangular Under Mount sinks, the Oval Stone sink, the MDV Series of Modular Vanities, and The Metropolitan pedestal ensemble.

D'Vontz manufactures an extensive line of award-winning products for the bath, powder room and kitchen. Exclusively designed with the finest natural and select sustainable materials, the company's comprehensive offering of fashion plumbing products includes Lautus marble stone sinks, distinctive cabinets manufactured in the United States, timeless copper basins and stylish iron pedestals. D'Vontz is a member of the National Kitchen & Bath Association (NKBA), an organization devoted to enhancing the success and excellence of its members, promoting professionalism and ethical business practices, and providing leadership and direction for the kitchen and bath industry worldwide. Additional information for the Grand Tahoe, Coda and Eros, as well as information about D'Vontz and their industry-leading products, can be found at www.dvontz.com or by calling 918-622-3600.
